

Lantern Light Village

December 5, 6, 12, 13, 18, 19, and 20, 2025

5:00–8:30 p.m. (9:00 on Saturdays) | Timed entry

Step into the past and experience the magic of the holidays at Lantern Light Village. As twilight falls, Mystic Seaport Museum glows with the warm flicker of lanterns and the sparkle of music-filled light displays. Stroll through our waterfront village, transformed into a festive wonderland alive with the sights, sounds, and flavors of a bygone holiday.

Climb aboard a horse-drawn carriage, warm yourself by crackling fires, and share your wishes with Saint Nick. Inspired by Charles Dickens' *A Christmas Carol*, this year's Lantern Light Village invites you to join the residents of Greenmanville—and the Ghosts of Christmas Past, Present, and Future—as they work to soften Scrooge's heart and bring the joy of the season to all of Mystic.

Step onto the deck of the historic whaleship *Charles W. Morgan* for live holiday music, try your hand at seasonal crafts, and create cherished memories with family and friends. Lantern Light Village is a heartwarming tradition filled with wonder, nostalgia, and just the right touch of holiday magic. Discover why so many return year after year to celebrate the season with us.

This event has staggered entry times every 15 minutes, beginning at 5:00 p.m. Additional entry time on Saturdays.
